

SPEAK YOUR MIND EDUCATION LLP

LETTER OF RECOMMENDATION

To whoever it may concern

I am writing this recommendation letter for Akshat Singh from SRM University who has worked with us as a Product Developer inter at Speak Your Mind Education LLP from February 2023 to April 2023. Akshat was a valuable member in our product development team, demonstrating exceptional professionalism, diligence and dedication towards his work. His strong analytical skills and passion for product development allowed him to make meaningful contribution to our team's projects.

Akshat played a key role in the planning and execution of several successful projects and campaigns. His ability to think out of the box was very impressive and made a huge impact on our team. He established a very effective relationship with all his teammates and clients. His attention and ability to manage multiple tasks simultaneously made him an essential member to our team.

I highly recommend Akshat Singh for Product Developer positions he may apply for. He is a talented individual who will undoubtedly be a great asset to any organization he joins.

Best regards,

Harishankar Padmanabhan
